# Alle Coffee Tables

Design by Staffan Holm

The solid-oak and walnut Alle Tables by Staffan Holm are a family of furniture that is especially Hem: traditional modes of making reclaimed for modern manufacture; good looks and practicality given equal consideration; engineering and handwork combined; quality materials used liberally. The circular Alle Coffee Table shares the same key features as the larger members of the family, in particular a softly rounded edge and a clever construction that requires no tools for assembly. Alle means "everyone" in German, and this table is a true reflection of the design principles we cherish. The Alle Coffee Table is available in three different finishes and three different sizes, use them together to create a compelling hard landscape.
